

Revision of Policy on County Surplus Property

The Wayne County Commission may occasionally have surplus property for disposal. The designated surplus property will be posted at the East entrance of the Courthouse, and may be offered to public organizations, non-profit agencies, other groups, clubs or organizations that provide services or resources for public good will. If no requests from such organizations are received within one week of each posting then such property will be offered by sealed bid. Bids are to be mailed to the Wayne County Commission, P O Box 248, Wayne, WV 25570, and shall make note of item description, bid amount, name, address and phone number of bidder. All bids will be opened by the Wayne County Commission in an open public meeting at the next regular session following the close of bidding.

This revision approved on motion from Wellman, seconded by Booton and unanimous vote. Approved this 9th day of July, 2007.
